

2018 INCENTIVE GRANT PROGRAM

Nonprofit Endowment Partners

We help nonprofits secure their future.

For more than a decade, Community First Foundation's endowment-building programs have helped local nonprofits secure their future. Endowments provide numerous benefits for nonprofit organizations. In addition to helping your organization secure its financial future, endowments provide steady revenue to help weather the fluctuations of other funding sources. Endowments also appeal to donors by providing a vehicle for their legacy gifts and reinforcing your commitment to the future.
